CONNECTING TO GOD, HIS WORD,
AND EACH OTHER

2018-2019 PARENT HANDBOOK

GREETINGS PARENTS/GUARDIANS,

I am excited that your kid(s) is going to be a part of Chisholm Kids CONNECT on Wednesdays. This is our first year for CONNECT on Wednesdays and I am very excited about it. It is for those that are 2 years old – 4th grade. Your kid(s) will be connecting to God, His Word, and each other on Wednesday nights.

As the Children's Minister I want to partner with you so together we can raise up a generation of kids that love God and love others. I want to encourage you to talk with your kid(s) about what we learned on Wednesday nights. This will hopefully help you disciple your kids and have "faith talks" with them. What are "faith talks?" Faith talks are the conversations that happen outside of church and are conversations about God and His Word.

This handbook is for you to look through so you will be in the know as far as Chisholm Kids CONNECT on Wednesdays. If you have any questions please let me know.

For His Glory,
Clint Percefull

WHAT IS CONNECT?

Purpose:

The purpose of Chisholm Kids CONNECT on Wednesdays is to connect kids to God, His Word, and each other.

How is this done?

This is done through a Bible story time, game time, missions time, and class time.

Bible Story Time

- Each night your kid(s) will hear a Bible story from God's Word. The Bible story time will be an interactive time.

Game Time

- Kids love to play and have fun! Our game time will get your kid(s) up and moving.
- *make sure your kid(s) wear closed toed shoes.

Missions Time

- Each night your kid(s) will learn what a missionary is and how we as followers of Christ are called to live on mission for Him.

Class Time

- Each night during class time your kid(s) will work on a memory verse as a class. There won't be books to take home or bucks to be handed out. We will keep our books at church. We are focusing on one verse at a time. We will also work on Bible skills during this time.

WHO IS IT FOR?

There is a class for our 2 year olds and young 3's that aren't old enough for the Green Team.

The rest of CONNECT is split up between three main age groups that are color coded: Green, Orange, and Blue.

We do our best to keep costs to a minimum, however, there are a few costs associated when your kid(s) participate in CONNECT.

ANNUAL DUE: \$5 PER CHILD

This money is used to help offset the cost for your kid(s) to get a CONNECT t-shirt and an activity book.

SAFETY POLICY // PROCEDURES

*The safety and wellbeing of your kid(s) is of upmost importance to us. Please read through these procedures.

Check-In

- Each night you will need to make sure your kid(s) are checked-in at one of the computers.
- Make sure their sticker is on, and you keep the parent sticker.
- Make sure they get checked-in at the registration table each night. This lets us know exactly who is in the building in case we have an emergency.

Pick-Up

- Each night the 3 year olds – 4th grade will be picked up outside of the Blue Room.
Beginning at 7:55pm they will be in the Blue Room patiently waiting to hear their names.
- Please form a line outside of the glass doors (upstairs Children’s Building).
- At 8:00pm we will begin calling names of kids to come to you.
- Please don’t come down the hallway to the Blue Room.
- Sibling Pick-up (they have to be 9th grade and above)

Volunteers

- All CONNECT volunteers will have passed a background check and there will always be two adults in a room.
